THE HAYMARKET FOUNDATION LTD**ABN 24 001 397 986****FINANCIAL REPORT - 30 JUNE 2024****DIRECTORS' REPORT****PRINCIPAL ACTIVITIES**

The principal activities of the Haymarket Foundation Ltd over the course of the financial year were delivered across three key domains, Specialist Homelessness Services (SHS), Population Health and Alcohol and Other Drugs (AOD) Services.

The Foundation delivered five Specialist Homelessness Services (SHS) programs; The Haymarket Centre, Rapid Response Program (Rapid), the Sydney Homelessness Early Intervention Service (SHEIS) Sustaining Tenancies in Social Housing (STSH) and the Together Home program. An operational summary of each program is outlined below.

- *The Haymarket Centre:* The Haymarket Centre ("The Centre", THC) is a 24-bed crisis accommodation facility funded by the Department of Family and Community Services. Bed availability is split into 12 male beds, 12 female beds. To be admitted into this service, clients must; be over 18 and experiencing homelessness. Many of the residents have a diagnosed mental health condition and actively use Alcohol and other drugs. The service is always open (24 hours per day, 365 days a year), with case management services delivered using a harm minimisation, person-centred and trauma informed approach. The goal of this service is to stabilise clients through pro-active case management and advocacy work to establish pathways to permanent accommodation.
- *Rapid Response Program:* The Rapid Response Program (Rapid) aims to quickly re-accommodate people who are newly homeless. This program is auspiced by the Young Women's Christian Association (YWCA), with the Haymarket Foundation providing case work and community-based transitional accommodation to single men and women under a sub-contracting, Joint Working Agreement (JWA). Case management services are delivered across the Central and Inner Western Suburbs of Sydney during business hours Monday to Friday. The goal of this service is to support and transition clients to permanent accommodation to prevent long-term homelessness.
- *Sydney Homelessness Early Intervention Service:* The Sydney Homelessness Early Intervention Service (SHEIS) provides short-term case work and brokerage services to people who are at risk of, or who are newly homeless. This program is auspiced by Mission Australia (MA), with the Haymarket Foundation providing case work and brokerage services to single men and women under a sub-contracting, Joint Working Agreement (JWA). Case management services are delivered across the Central and Inner Western Suburbs of Sydney during business hours Monday to Friday, with clients receiving brokerage (e.g. support in clearing rental arrears), advocacy and appropriate referrals to remain in secure accommodation. The goal of this service is to support clients to remain in permanent accommodation and prevent primary homelessness from occurring.
- *Sustaining Tenancies in Social Housing:* Sustaining Tenancies in Social Housing (STSH) supports people living in Social Housing Tenancies who are at risk of losing their tenancies. This program is auspiced by Neami National, with the Haymarket Foundation providing case work under a sub-contracting, Joint Working Agreement (JWA). Case management services are delivered across the Central and Inner Western Suburbs of Sydney during business hours Monday to Friday.
- *The Together Home Program* aims to transition people from homelessness into long-term, stable housing, while improving overall personal wellbeing. Housing and support are provided through the program, which aims to address people's support needs, build individual capability and capacity, and foster connections to community. The program operates from a Housing First model with wrap around support. Community Housing Provider, Metro Housing, manages the properties and subcontracts The Haymarket Foundation to provide case management support.

THE HAYMARKET FOUNDATION LTD**ABN 24 001 397 986****FINANCIAL REPORT - 30 JUNE 2024****DIRECTORS' REPORT****PRINCIPAL ACTIVITIES (continued)**

The Foundation delivered one population health program: the HIV/AOD Integrated Care Program.

- The HIV/AOD Integrated Care Program is a four-bed stabilisation unit located within The Haymarket Centre funded by the South-Eastern Sydney Local Health District (SESLHD). Clients are typically referred to this service from the AIDS Dementia and HIV Psychiatry Service (ADAHPS), and must be HIV positive, homeless, have a diagnosed mental health condition, and still using drugs or alcohol to be admitted into the service. The service is always open (24 hours per day, 365 days a year), with social work and case management services co-delivered by Haymarket, the NSW Health HIV Community Teams and the Bobby Goldsmith Foundation (BGF) using a harm minimisation, trauma informed approach.

The Foundation also delivered four Alcohol and Other Drugs Programs: the Bourke Street Project, the AOD Counselling Service, the AOD Support Service and the Drug Court Program. An operational summary of each of these programs is outlined below:

- The Bourke Street Project: The Bourke Street Program is a community living skills and accommodation program funded by the Southeast Sydney Local Health District (SESLHD) for up to 18 men who have completed a residential rehabilitation program and require additional support to maintain a drug free lifestyle. Clients are typically referred to this program from residential rehabilitation services and must be clean/sober for at least 30 days to be considered for admission. Case management, group therapy, and living skills programs are delivered using a strengths-based approach. The goal of this service is to support men to rebuild their lives and to build the strengths required to remain clean and sober in broader society.
- Drug Court Program: The Drug Court of NSW is a diversionary program. It supervises the intensive community-based rehabilitation of eligible people who have a drug dependence and who would otherwise be sentenced to full-time imprisonment. The Drug Court program is a joint justice and health intervention aimed at reducing drug dependency, offending, and promoting reintegration into the community. The Drug Court adopts a multi-disciplinary program delivery model. An interagency team works together under the leadership of the Drug Court Judge to develop, deliver and supervise each participant's program. The Haymarket Foundation provides the intensive rehabilitation and accommodation element of this program. It fosters a supportive and accountable environment assisting me to remain drug free.
- AOD Counselling Service: Delivered by an experienced clinical psychologist and is open to men, women, transgender and gender diverse people of all backgrounds with co-occurring AOD and mental health conditions. It provides ongoing support as well as opportunities to assist clients develop themselves through self-exploration and understanding within a therapeutic AOD approach. The service is funded by the Central and Eastern Primary Health District (CESPHN)
- The AOD Support Service: The AOD Support Service provides information and advice about available drug and alcohol interventions, as well as ongoing support for people who are waiting to access rehabilitation or other AOD services. The service is designed to assist individuals, family members, General Practitioners, and other healthcare professionals in navigating the AOD sector and finding the right information about available treatment options. The AOD Support Service is funded by the Central and Eastern Primary Health District (CESPHN)

THE HAYMARKET FOUNDATION LTD**NOTES TO THE FINANCIAL STATEMENTS**
FOR THE YEAR ENDED 30 JUNE 2024**Note 1 - Corporate information**

The financial report includes the financial statements and notes of The Haymarket Foundation Ltd. The Haymarket Foundation Ltd is registered as a company limited by guarantee and not having a share capital under the provisions of the *Australian Charities and Not-for-profits Commission Act 2012*.

The company supports people experiencing, or at risk of homelessness by delivering a range of services across the spectrum of early intervention, crisis and post crisis approaches to care.

The registered address and principal place of business of the company is:

137-139 Regent Street
Chippendale NSW 2008

The financial statements were approved by the Board of Directors on 23 September 2024.

Note 2 - Basis of preparation***Statement of compliance***

These general purpose financial statements have been prepared in compliance with the requirements of the *Australian Charities and Not-for-profits Commission Act 2012* and *Australian Accounting Standards - Simplified Disclosures*. The company is a not-for-profit entity for the purposes of preparing these financial statements.

Basis of measurement

The financial statements, except for the cash flow information, have been prepared on an accruals basis and are based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities.

Comparatives

Where required by Accounting Standards comparative figures have been adjusted to conform to changes in presentation for the current financial year. Where the company has retrospectively applied an accounting policy, made a retrospective restatement or reclassified items in its financial statements, an additional statement of financial position as at the beginning of the earliest comparative period will be disclosed.

Critical accounting estimates and judgements

The Directors evaluate estimates and judgements incorporated into the financial statements based on historical knowledge and best available current information. Estimates assume a reasonable expectation of future events and are based on current trends and economic data, obtained both externally and within the company.

Key estimates***Impairment***

The Directors assess impairment at the end of each reporting period by evaluation of conditions and events specific to the company that may be indicative of impairment triggers. Recoverable amounts of relevant assets are reassessed using value-in-use calculations which incorporate various key assumptions.

Long service leave provision

The liability for long service leave is recognised and measured at the present value of the estimated future cash flows to be made in respect of all employees at the reporting date. In determining the present value of the liability, estimates of rates and pay increases through promotion and inflation have been taken into account.

THE HAYMARKET FOUNDATION LTD**NOTES TO THE FINANCIAL STATEMENTS**
FOR THE YEAR ENDED 30 JUNE 2024**Note 2 - Basis of preparation (continued)*****New and revised standards that are effective for these financial statements***

Several amendments and clarifications to Australian Accounting Standards and interpretations are mandatory for the 30 June 2024 reporting period. These include:

- *AASB 2021-2: Amendments to Australian Accounting Standards – Disclosure of Accounting Policies and Definition of Accounting Estimates*
- *AASB 2021-6 Amendments to Australian Accounting Standards – Disclosure of Accounting Policies: Tier 2 and Other Australian Accounting Standards*

The application of these amendments and clarifications have not had a material impact on the carrying values of the company's asset, liability or equity balances; nor a material impact on the disclosures in the financial report nor the recognition and measurement of the company's revenue or expenses.

New standards and interpretations not yet adopted

Certain new accounting standards, amendments and interpretations have been published that are not mandatory for 30 June 2024 reporting periods and have not been early adopted by the company. These include:

- *AASB 2014-10 Amendments to Australian Accounting Standards – Sale or Contribution of Assets between an Investor and its Associate or Joint Venture* (effective for the year ending 30 June 2026)
- *AASB 2022-6 Amendments to Australian Accounting Standards – Non-current Liabilities with Covenants* (effective for the year ending 30 June 2025)
- *AASB 2023-1 Amendments to Australian Accounting Standards – Supplier Finance Arrangements* (effective for the year ending 30 June 2025)

It is not expected that AASB 2014-10, AASB 2022-6 or AASB 2023-1 will have a material impact on the company in future reporting periods.

Note 3 - Accounting policies

The material accounting policies adopted in the preparation of the financial report are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

Income Tax

The Haymarket Foundation Ltd is a not-for-profit Charity & Public Benevolent Institution and is exempt from income tax under Division 50 of the *Income Tax Assessment Act 1997*.

Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO). Receivables and payables are stated inclusive of the amount of GST receivable or payable.

The net amount of GST recoverable from, or payable to, the ATO is included with other receivables or payables in the statement of financial position.

Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities which are recoverable from, or payable to, the ATO are presented as operating cash flows included in receipts from customers or payments to suppliers.

THE HAYMARKET FOUNDATION LTD**NOTES TO THE FINANCIAL STATEMENTS**
FOR THE YEAR ENDED 30 JUNE 2024**Note 3 - Accounting policies (continued)*****Revenue recognition***

Amounts disclosed as revenue are net of returns, trade allowances and duties and taxes including goods and services tax (GST). Revenue is recognised for the major business activities as follows:

Grants, donations and bequests

Income arising from the contribution of an asset (including cash) is recognised when the following conditions have been satisfied:

- (a) the company obtains control of the contribution or the right to receive the contribution;
- (b) it is probable that the economic benefits comprising the contribution will flow to the company; and
- (c) the amount of the contribution can be measured reliably at the fair value of the consideration received.

Interest

Interest revenue is recognised as it accrues using the effective interest method.

Other revenue

Other revenue is recognised when it is received or when the right to receive payment is established.

Cash and cash equivalents

Cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to insignificant risk of changes in value.

Trade receivables

For all sources of recurrent income, trade receivables are recognised initially at fair value and subsequently measured at amortised cost, less provision for doubtful debts. Collectability of trade receivables is reviewed on an ongoing basis. Debts which are known to be uncollectible are written off. A provision for impairment in relation to doubtful receivables is established when there is objective evidence that the company will not be able to collect all amounts due according to the original terms of receivables.

Property, plant and equipment**Recognition and measurement**

Each class of property, plant and equipment is carried at cost less, where applicable, any accumulated depreciation and impairment losses. Cost includes expenditure that is directly attributable to the acquisition of the items.

Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in the statement of profit or loss and other comprehensive income.

Depreciation

The depreciable amount of all property, plant and equipment including buildings, but excluding freehold land, is depreciated on a straight-line basis over the asset's useful life to the company commencing from the time the asset is held ready for use.

The depreciation rates used for each class of depreciable assets are:

Leasehold improvements	10%
Plant and equipment	20% - 33.33%
Motor vehicles	20%

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period. An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

THE HAYMARKET FOUNDATION LTD**NOTES TO THE FINANCIAL STATEMENTS**
FOR THE YEAR ENDED 30 JUNE 2024**Note 3 - Accounting policies (continued)*****Right-of-use assets***

At inception, a right-of-use asset and a lease liability is recognised. Right-of-use assets are included in the statement of financial position within a classification relevant to the underlying asset.

Right-of-use assets are initially measured at cost, comprising of the following:

- The amount of the initial measurement of the lease liability
- Any lease payments made at or before the commencement date, less any lease incentives received
- Any initial direct costs incurred
- An estimate of costs to be incurred in dismantling and removing the underlying asset, restoring the site on which it is located or restoring the underlying asset to the condition required by the terms and conditions of the lease, unless those costs are incurred either at the commencement date or as a consequence of having used the underlying asset during a particular period

Subsequently, right-of-use assets are measured using a cost model. The right-of-use asset is depreciated to the earlier of the useful life of the asset or the lease term using the straight-line method and is recognised in the statement of profit or loss and other comprehensive income in "Depreciation and amortisation".

The company tests for impairment where there is an indication that a right-of-use asset may be impaired. An assessment of whether there is an indication of possible impairment is done at each reporting date. Where the carrying amount of a right of use asset is greater than the estimated recoverable amount, it is written down immediately to its recoverable amount. The resulting impairment loss is recognised immediately in surplus or deficit, except where the decrease reverses a previously recognised revaluation increase for the same asset.

The resulting decrease is recognised in other comprehensive income to that extent and reduces the amount accumulated in equity under revaluation surplus, and future depreciation charges are adjusted in future periods to allocate the revised carrying amount, less its residual value, on a systematic basis over its remaining useful life.

Leases

The company leases office premises on an arm's length basis from a third-party and related party lessor. A lease is a contract, or part of a contract, that conveys the right to use an asset for a period of time in exchange for consideration.

At inception of a contract, it is assessed to determine whether the contract is, or contains, a lease. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. If the terms and conditions of a contract are changed, it is reassessed to once again determine if the contract is still, or now contains, a lease.

The term of a lease is determined as the non-cancellable period of the lease, together with the periods covered by an option to extend the lease where there is reasonable certainty that the option will be exercised, and periods covered by an option to terminate the lease if there is reasonable certainty that the option will not be exercised.

The assessment of the reasonable certainty of the exercising of options to extend the lease, or not exercising of options to terminate the lease, is reassessed upon the occurrence of either a significant event or a significant change in circumstances that is within the company's control, and it affects the reasonable certainty assumptions. The assessment of the lease term is revised if there is a change in the non-cancellable lease period.

The company does not recognise leases that have a lease term of 12 months or less or are of low value as a right-of-use asset or lease liability. The lease payments associated with these leases are recognised as an expense in the statement of profit or loss and other comprehensive income on a straight-line basis over the lease term.

THE HAYMARKET FOUNDATION LTD**NOTES TO THE FINANCIAL STATEMENTS**
FOR THE YEAR ENDED 30 JUNE 2024**Note 3 - Accounting policies (continued)*****Lease liability***

At the commencement date of the lease, the lease liability is initially recognised for the present value of non-cancellable lease payments discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, the company's incremental borrowing rate.

The tenor of a lease includes any renewal period where the lessee is reasonably certain that they will exercise the option to renew. The company has reviewed all its leases and included any extensions where the company assessed it is reasonably certain the lease agreement will be renewed.

The lease payment used in the calculation of the lease liabilities should include variable payments when they relate to an index or rate. Where leases contain variable leases, payments based on an index or rate at a future point in time, the company has used the incremental uplift contained in the lease or the respective Reserve Bank forward-looking CPI target for CPI-related increases.

In the absence of any floor or cap clauses in the lease agreements, the company measures the rent for the year under market review at an amount equal to the rent of the year preceding the market review increased by a fixed rate.

The lease liability is initially measured at the present value of the lease payments that are not yet paid at the commencement date. Lease payments are discounted using the relevant company's incremental borrowing rate. The incremental borrowing rate used for this calculation is dictated by the tenor of the lease and the location of the asset. The incremental borrowing rate is the rate the company would be charged on borrowings provided by our banking partners. The weighted average incremental borrowing rate is 6.3%. The following lease payments being fixed payments, less any lease incentives receivable are included where they are not paid at the commencement date.

Subsequently, the lease liability is measured by:

- Increasing the carrying amount to reflect interest on the lease liability
- Reducing the carrying amount to reflect the lease payments made
- Remeasuring the carrying amount to reflect any reassessment or lease modifications or to reflect revised in-substance fixed lease payments

The unwind of the financial charge on the lease liabilities is recognised in the statement of profit or loss and other comprehensive income in "Finance costs" based on the company's incremental borrowing rate.

Financial instruments**Initial recognition and measurement**

Financial assets and financial liabilities are recognised when the company becomes a party to the contractual provisions to the instrument. For financial assets this is equivalent to the date that the company commits itself to either purchase or sell the asset. Financial instruments are initially measured at fair value plus transactions costs except where the instrument is classified "at fair value through profit or loss" in which case transaction costs are expensed to profit or loss immediately. Trade receivables are initially measured at the transaction price if the trade receivables do not contain a significant financing component

Classification and subsequent measurement***Financial assets***

Financial assets other than those designated and effective as hedging instruments are classified upon initial recognition into the following categories:

- Amortised cost
- Equity instruments at fair value through other comprehensive income (FVOCI)
- Fair value through profit or loss (FVPL)

THE HAYMARKET FOUNDATION LTD**NOTES TO THE FINANCIAL STATEMENTS**
FOR THE YEAR ENDED 30 JUNE 2024**Note 3 - Accounting policies (continued)*****Financial instruments (continued)****Financial assets (continued)*

All income and expenses relating to financial assets that are recognised in profit or loss are presented within finance income or finance costs, except for impairment of trade receivables which are disclosed with other expenses.

Measurement is on the basis of two primary criteria:

- The contractual cash flow characteristics of the financial asset
- The business model for managing the financial asset

Financial assets at amortised cost

Financial assets are measured at amortised cost if the asset meets the following conditions (and are not designated as FVPL):

- The financial asset is managed solely to collect contractual cash flows
- The contractual terms within the financial asset give rise to cash flows that are solely payments of principal and interest on the principal amount outstanding on specified dates

Equity instruments at fair value through other comprehensive income

Investments in equity instruments that are not held for trading are eligible for an irrevocable election at inception to be measured at fair value through other comprehensive income. Subsequent movements in fair value are recognised in other comprehensive income and are never reclassified to profit or loss. Dividend revenue received on underlying equity instruments investment will still be recognised in profit or loss unless the dividend clearly represents return of capital.

By default, all other financial assets that do not meet the measurement conditions of amortised cost and fair value through other comprehensive income are subsequently measured at fair value through profit or loss.

Financial assets at fair value through profit or loss

Financial assets that are held within a different business model other than to “hold and collect” or “hold to collect and sell” are categorised at fair value through profit or loss. The initial designation of financial instruments to measure at fair value through profit or loss is a one-time option on initial classification and is irrevocable until the financial asset is derecognised.

Impairment of financial assets

The impairment requirements as applicable under AASB 9 use more forward-looking information to recognise expected credit losses. Expected credit losses are the probability-weighted estimate of credit losses over the expected life of a financial instrument. A credit loss is the difference between all contractual cash flows that are due, and all cash flows expected to be received, all discounted at the original effective interest rate of the financial instrument.

The Directors considers a broad range of information when assessing credit risk and measuring expected credit losses, including past events, current conditions, reasonable and supportable forecasts that affect the expected collectability of the future cash flows of the instrument. In applying this approach, a distinction is made between:

- Financial instruments that have not deteriorated significantly in credit quality since initial recognition or that have low credit risk
- Financial instruments that have deteriorated significantly in credit quality since initial recognition and the credit risk is not low
- Financial assets that have objective evidence of impairment at reporting date

The loss allowance for the first category is measured as “12-month expected credit loss” and for the second category is measured as “lifetime expected credit losses”.

THE HAYMARKET FOUNDATION LTD**NOTES TO THE FINANCIAL STATEMENTS**
FOR THE YEAR ENDED 30 JUNE 2024**Note 3 - Accounting policies (continued)*****Impairment of assets***

Assets that have an indefinite useful life are not subject to amortisation and are tested annually for impairment. Assets that are subject to amortisation are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs to sell and value in use. For the purposes of assessing impairment, assets are compared at the lowest levels for which there are separately identifiable cash flows (cash generating units).

Trade and other payables

Trade and other payables represent the liability outstanding at the end of the reporting period for goods and services received by the Company during the reporting period, which remain unpaid. The balance is recognised as a current liability with the amounts normally paid within 30 days of recognition of the liability. The carrying amount of trade and other payables is deemed to reflect fair value.

Employee benefits

Provision is made for the company's liability for employee benefits arising from services rendered by employees to the end of the reporting period. Employee benefits that are expected to be settled within one year have been measured at the amounts expected to be paid when the liability is settled. Employee benefits payable later than one year have been measured at the present value of the estimated future cash outflows to be made for those benefits. In determining the liability, consideration is given to employee wage increases and the probability that the employee may not satisfy vesting requirements. Those cash outflows are discounted using market yields on high quality corporate bonds with terms to maturity that match the expected timing of cash flows.

FINANCIAL REPORT - 30 JUNE 2024

INDEPENDENT AUDITOR'S REPORT TO THE DIRECTORS OF
THE HAYMARKET FOUNDATION LTD

Opinion

We have audited the financial report of The Haymarket Foundation Ltd which comprises the statement of financial position as at 30 June 2024, the statement of profit or loss and other comprehensive income, the statement of changes in funds and statement of cash flows for the year then ended, notes comprising a summary of accounting policies and other explanatory information, and the Directors' Declaration.

In our opinion, the accompanying financial report of The Haymarket Foundation Ltd is in accordance with the *Australian Charities and Not-for-profits Commission Act 2012*, including:

- a) giving a true and fair view of the company's financial position as at 30 June 2024 and of its financial performance for the year then ended, and
- b) complying with *Australian Accounting Standards - Simplified Disclosures* (including Australian Accounting Interpretations) and the *Australian Charities and Not-for-profits Commission Regulations 2022*.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibility for the Audit of the Financial Report* section of our report. We are independent of the company in accordance with the auditor independence requirements of the *Australian Charities and Not-for-profits Commission Act 2012* and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We confirm that the independence declaration required by the *Australian Charities and Not-for-profits Commission Act 2012*, which has been given to the Directors of the company, would be in the same terms if given to the Directors as at the time of this auditor's report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Directors' Responsibility for the Financial Report

The Directors of the company are responsible for the preparation of the financial report that gives a true and fair view in accordance with *Australian Accounting Standards - Simplified Disclosures* and the *Australian Charities and Not-for-profits Commission Act 2012* and for such internal control as the Directors determine is necessary to enable the preparation of a financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the Directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

The Directors are responsible for overseeing the company's financial reporting process.

FINANCIAL REPORT - 30 JUNE 2024

INDEPENDENT AUDITOR'S REPORT TO THE DIRECTORS OF
THE HAYMARKET FOUNDATION LTD

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

A further description of our responsibilities for the audit of the financial report is located at *The Auditing and Assurance Standards Board* and the website address is <http://www.auasb.gov.au/Home.aspx>

We communicate with the Directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Report on the requirements of the New South Wales Charitable Fundraising Act 1991 and the New South Wales Charitable Fundraising Regulations 2021

We have audited the financial report as required by Section 24 of the New South Wales *Charitable Fundraising Act 1991*. Our procedures included obtaining an understanding of the internal control structure for fundraising appeal activities and examination, on a test basis, of evidence supporting compliance with the accounting and associated record keeping requirements for fundraising appeal activities pursuant to the New South Wales *Charitable Fundraising Act 1991* and the New South Wales *Charitable Fundraising Regulations 2021*.

Because of the inherent limitations of any assurance engagement, it is possible that fraud, error or non-compliance may occur and not be detected. An audit is not designed to detect all instances of non-compliance with the requirements described in the above-mentioned Act and Regulations as an audit is not performed continuously throughout the period and the audit procedures performed in respect of compliance with these requirements are undertaken on a test basis. The audit opinion expressed in this report has been formed on the above basis.

INDEPENDENT AUDITOR'S REPORT TO THE DIRECTORS OF
THE HAYMARKET FOUNDATION LTD

Opinion

In our opinion:

- a) The financial report of the company has been properly drawn up and associated records have been properly kept during the financial year ended 30 June 2024, in all material respects, in accordance with:
 - i. Sections 20(1), 22(1-2), 24(1) of the New South Wales *Charitable Fundraising Act 1991*; and
 - ii. Section 17 of the New South Wales *Charitable Fundraising Regulations 2021*.
- b) The money received as a result of fundraising appeals conducted by the company during the financial year ended 30 June 2024 has been properly accounted for and applied, in all material respects, in accordance with the above-mentioned Act and Regulations.
